Mother Darling, -

we have

enjoyed your letters
so much, what a
glorious trip you
must be having.

Today has been a
really mild day
great waves & a
very high wind 9.2

Bob & I took the two
children up to the farm
where they were
very much impressed
with the baby chickens
of ducks - also foxes &
wild duck. This noon
is really very nice.

Tom & Bob have been
working on the
summer house.
We can hardly

believe me - have been
here nearly a whole
week -

Jo & George come by motor
tomorrow night

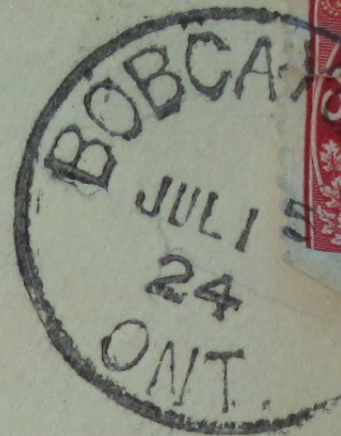

We like the tent even better
than last year & go to bed
at dark every night.

Rosemary is crazy about
swimming & now even it
has been rough & cool every
day so far which is
lovely for everything else
but bathing - we have had
the stone pool today.

The Awning at the back
door is simply splendid.

Well dear we are so glad
you are - having such
a nice trip but will love
to have you here.

With much love to you &
Dad from me. Love & best
remembrances to all. Graham & Dot.

Darling Mother, -

Please forgive paper but our Bains
are snugly & securely tucked away for the
night in the tent.

We have been thinking of you
all yesterday & today. The weather is ideal
for motoring in fact ideal for any thing -
every minute since we arrived
has been ideal.

We longed for you when we arrived
Rosemary stood stock still half way between
house & gate as soon as the tent was
in view & said - "ook Mummy 't's my house"
Pointing to the house -

We loved the lovely welcome & the
children their toys - Rosemary really went
crazy - The house was perfectly so clean &
cool & Maie soon had our lunch - Tom
& Moss were waiting for us & brought
everything down. The tent being ready did
help so much.

Rosemary in the afternoon yesterday
was sitting in the house alone with
all the books & suddenly looked up &
in all seriousness said "I love Ancona"
so you see we are really radiantly
happy.

Bob is leaving for Pokanagon.
The boat is working like a charm.
We are enjoying it.

Tom is working at the boat house
today.

Such a gorgeous day here too
I suppose you are well on
your way.

Lots of love to you &
dad & best wishes for Dr. Graham.
Love

Rosemary asks for
you every few
minutes!

Dorothy.

Dear Mrs. Nasmith:

This is just a note of appreciation to you for your influence through the Margaret-Caton School last year. I am not returning this season as my aunt and uncle, who are aiding me financially,

urged me so strongly to
remain with them and
continue my study in Detroit.

But the starting-point in
study for me, I feel, was my
junior year at Margaret Eaton.
Although I did not get all
the practical work I could
have wished for, I got an
invaluable certain "something,"
I scarcely know what to call
it. Perhaps it was a deeper
appreciation of the things

the school is striving toward;
the good, and the beautiful.

I am very sincere when I tell you
that I used to come away from
your Browning class uplifted and
inspired. I hope I shall never
forget the messages you gave to us
in that class. They are to me, truly,
"a step i' the dark to rise by."

I was surprised and shocked
to learn that you have resigned
the principaship of W. C. S. I am
sure it must have been a
veritable "tearing up by the root"
for you; the school seemed so
much a part of yourself.

With every good wish for
your happiness in the future,
I am,

Very sincerely yours,
Madeline C. Race.
